WORK HISTORY

Interactive Designer | Sandhills Global *Jun 2026 – Present*

- Design and build responsive, user-friendly websites for customers across trucking, agriculture, construction, and heavy equipment industries using HTML, CSS, WordPress, and Dreamweaver.
- Partner directly with customers to understand business goals, presenting and iterating on design concepts under deadline pressure.
- Incorporate user testing and customer feedback into design refinements, supporting 20+ client sites, balancing visual design with usability and accessibility standards.
- Apply basic SEO principles and web analytics insights to inform design decisions across web and mobile platforms.

Social Media Team Member | The Creightonian (Creighton University) *Jan 2026 – May 2026*

- Rebuilt the publication's visual identity system, standardizing typography, color, and layout rules across a high-frequency content pipeline, improving brand consistency across 15+ weekly posts.
- Translated long-form editorial content into scannable, audience-first visual formats, improving comprehension and engagement for campus news.

Creative Suite Graphic Designer | Division of Student Life, Creighton University *Nov 2025 – May 2026*

- Maintained a centralized brand design system and asset library across 6+ print and digital touchpoints for Student Life, ensuring visual consistency at scale.
- Translated stakeholder requirements into design solutions across multiple concurrent, deadline-driven projects.

EDUCATION
